

2023 STACKPOLE BOSTON MARATHON FUNDRAISER - OUR GOAL IS \$20,000

New Year. New Team. Same Cause. We are super excited to announce that TJ Stackpole's friends will be running the 127th Boston Marathon on April 17, 2023- once again in honor of FDNY Captain Timothy Stackpole.

The team includes Zachary Bailey USMC, Gardy Lebon USMC, Dan Johnston US NAVY, and Mike O'Donnell Boston FD.

The Stackpole Foundation continues to believe in reaching out to families in difficult times due to illness, injury, or hardship. Last year's Boston Marathon Team raised just over \$30,000 and we were able to achieve this in Timmy's honor. These funds enabled the Foundation to continue to support several scholarships in Timmy's name that are specifically awarded to students who work hard and give back to their communities. The Thanksgiving food drive helped supply dinners to over 200 families that are less fortunate.

The Foundation continues to support various fundraising efforts for our military, police and firefighters both active and retired. A continuing grassroots effort operating through small acts of kindness done with great love in the spirit of its hero namesake.

This year's Boston Marathon Team is looking to continue these traditions with your help and support. We thank all of you in advance for your donations and continued support.

GOD BLESS and SEMPER FI!
